

English World

This is a very popular course among students who wish to improve their overall English level and who want to develop areas of weakness or special interests. The focus of lessons is in real-life communication and social skills. The course is offered at all levels from beginners to advance. With English World, you broaden your horizons, make friends and invest in your future. You learn in a group but are always treated as an individual.

Besides, English World gives you the freedom to choose. Study Options improve your English and allow you to develop areas of weakness or special interests.

Make your dream come true – experience our English world.

- Learn to communicate in everyday situations
- Personalise your course to suit you
- Participate in the exciting social programme and make new friends
- Choose from a variety of interesting course formats

English World courses are suitable for all abilities from Beginner to Advanced.

1. English World Intensive

This intensive course comprises 22.5 hours of study per week. This enables you to develop your all-round skills, as well as allowing special focus on specific areas of interest

22.5 hours of group classes (=30 lessons of 45 minutes) + 3 hours of Active English per week

2. English World Semi-Intensive

Study for 15 hours per week, leaving you with time in the day to relax, learn in our Study Centre, or explore authentic local life and culture

15 hours of group classes per week (=20 lessons of 45 minutes)

[Duration](#) 2 weeks – 1 year

Our partners are all of high quality, are certified by British Council, and have more than 10-year experience in language teaching. The schools are located near the city centre with easy access to facilities and public transports (less than 10 minutes walk from the city centre). The expense here is comparable to that of big cities in other countries like Australia and USA
